

CICLO | STUDIO

**Intuitive cycling
studio solution
designed for
Riders, Instructors,
and Managers**

About Darren Lee

Pro-cyclist and Coach

Global Educator

Ex. Keiser master trainer

The CicloZone Vision

Professional Cycle Training

Trackable, measurable progress for every rider

Every Studio - any budget, size, or equipment

CicloStudio - one solution for all

For clients

Better training, tangible results

For instructors

Pro-assistance in daily activities

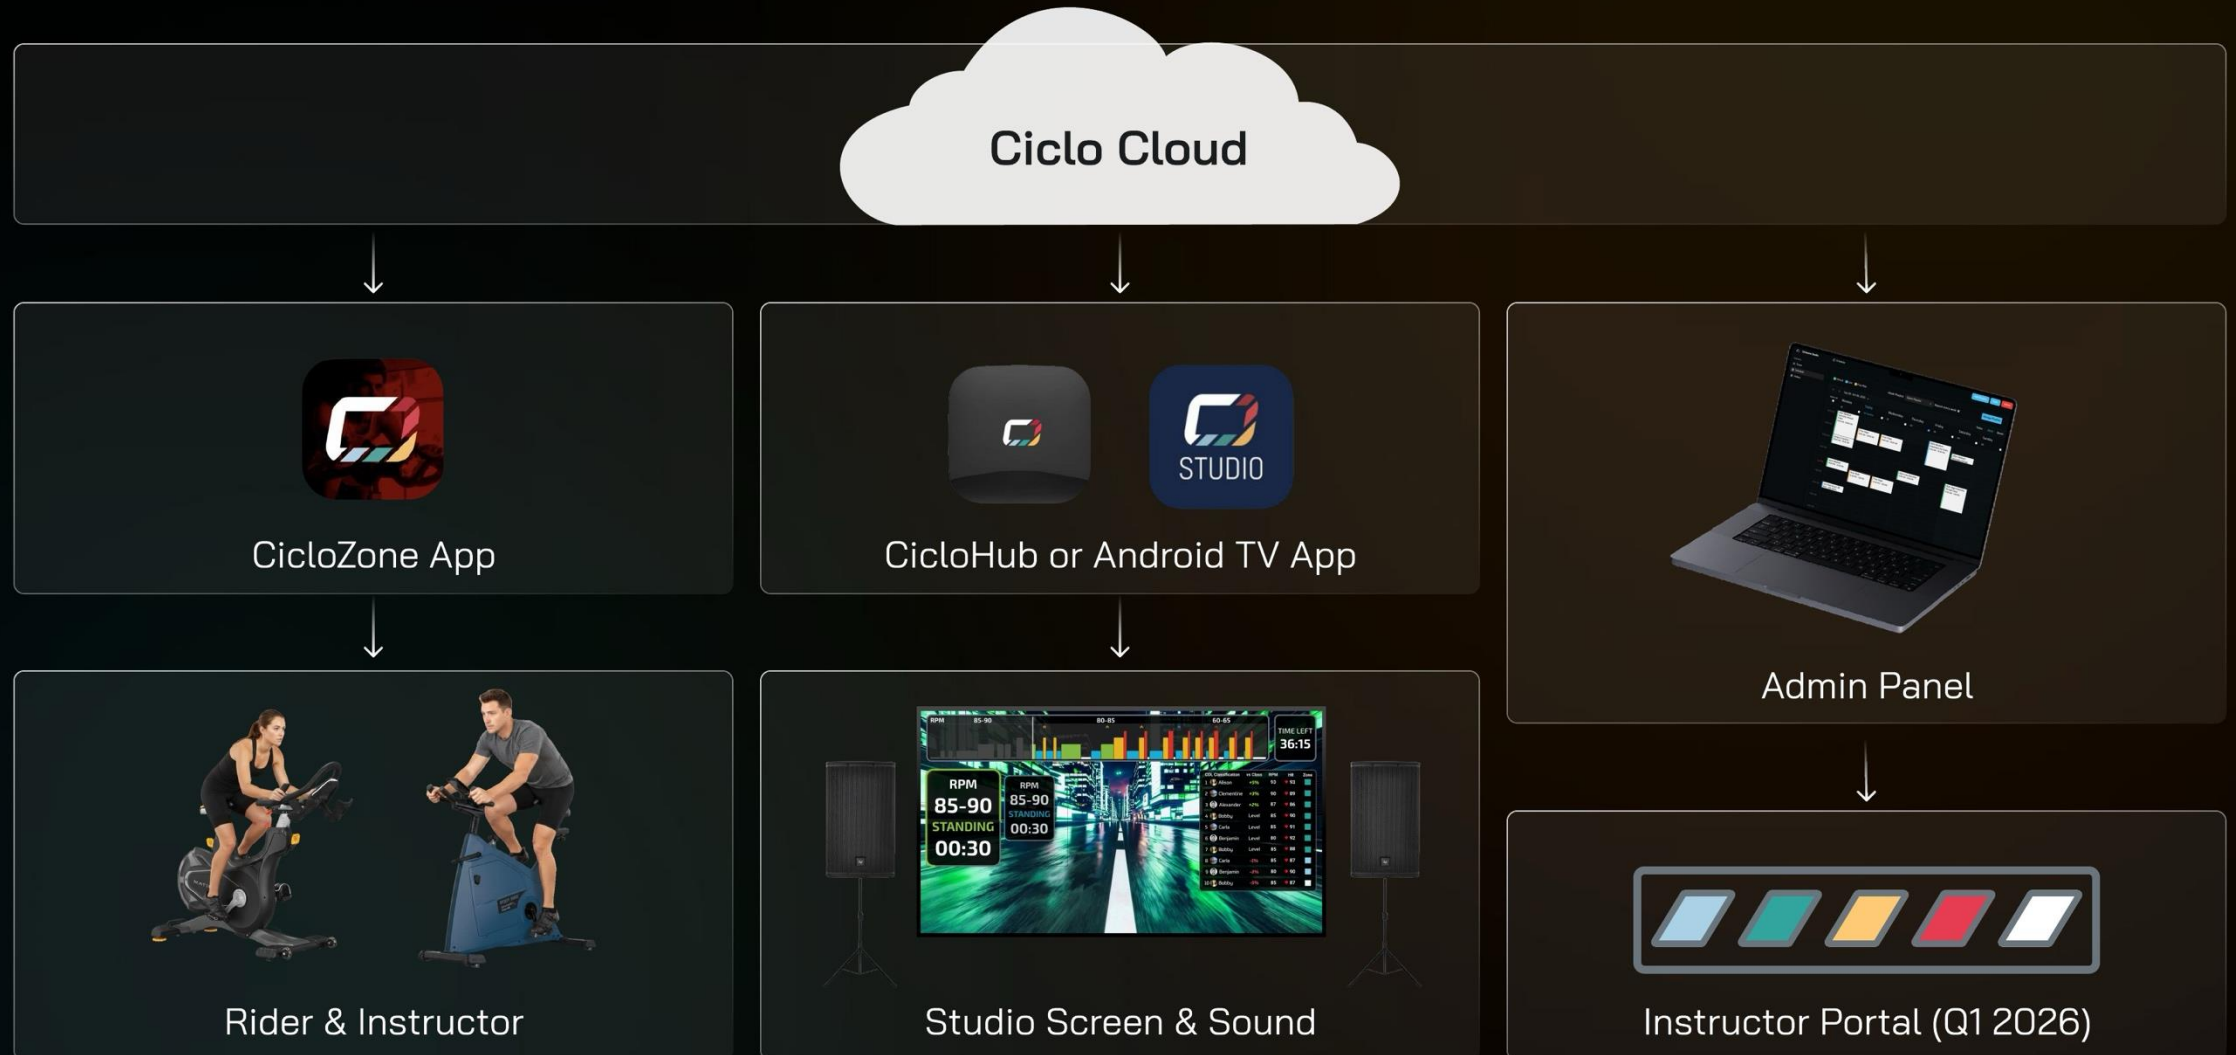

For management

Solution for revenue growth

HOW IT WORKS

Ciclo platform key components

CONNECTABLE BIKES

CicloZone App pairs with any Bluetooth bike

Stages

Keiser

ICG

BodyBike

Matrix

Schwinn

And Many More
Connectable Bikes

Any Bike with
Ciclo Power Crank

ERG MODE

CicloZone: State of the art ERG mode capability

CicloZone's advanced ERG Mode transforms every ride into a perfectly balanced training experience — automatically adjusting resistance to match each rider's personalized power zone intensity.

Whether in a live, virtual, or free ride class, it ensures seamless transitions, consistent effort, and truly immersive power-based training.

MOBILE APP

Rider Dials

Real-time Watts, Heart Rate, and RPM values from connected bike and optional HR strap

Target zones based on class profile and rider's personal FTP ensuring individualised training

Class Profile with a progress line indicating the rider's current success against the class

Optional class leaderboard

Instructor Control Panel

Guidance on each interval for step by step prompted delivery to class

Instructor control options for changing class elements and engaging challenge intervals

Swipe to second screen showing participant classification screen for real time results & Data

INTELLIGENT ADAPTIVE FTP

Personalized Resistance, Every Ride

New recommended FTP

To keep on track to achieve your CicloZone training goals, we recommend that you increase your FTP score to 334.

Free-Ride 15 Mar 2025

Create & control your own bespoke schedule

Enjoy classes with our virtual instructors

Teach our profiles with your instructors live

Schedule Freestyle 'social ride' classes where the trainer has full control of the class throughout

VIRTUAL CLASSES

Personally curated
by our CEO

A Real HiiT Mix - COL 82%

Focused Fitness Recovery - C...

The Equalizer - COL 81%

Rise & Fall - COL 77%

Queens stage - COL 82%

Energy System Overload - CO...

LIVE CLASSES

Pre-made classes for instructors to teach

Consistent, guaranteed class quality

Worry-free licensed music

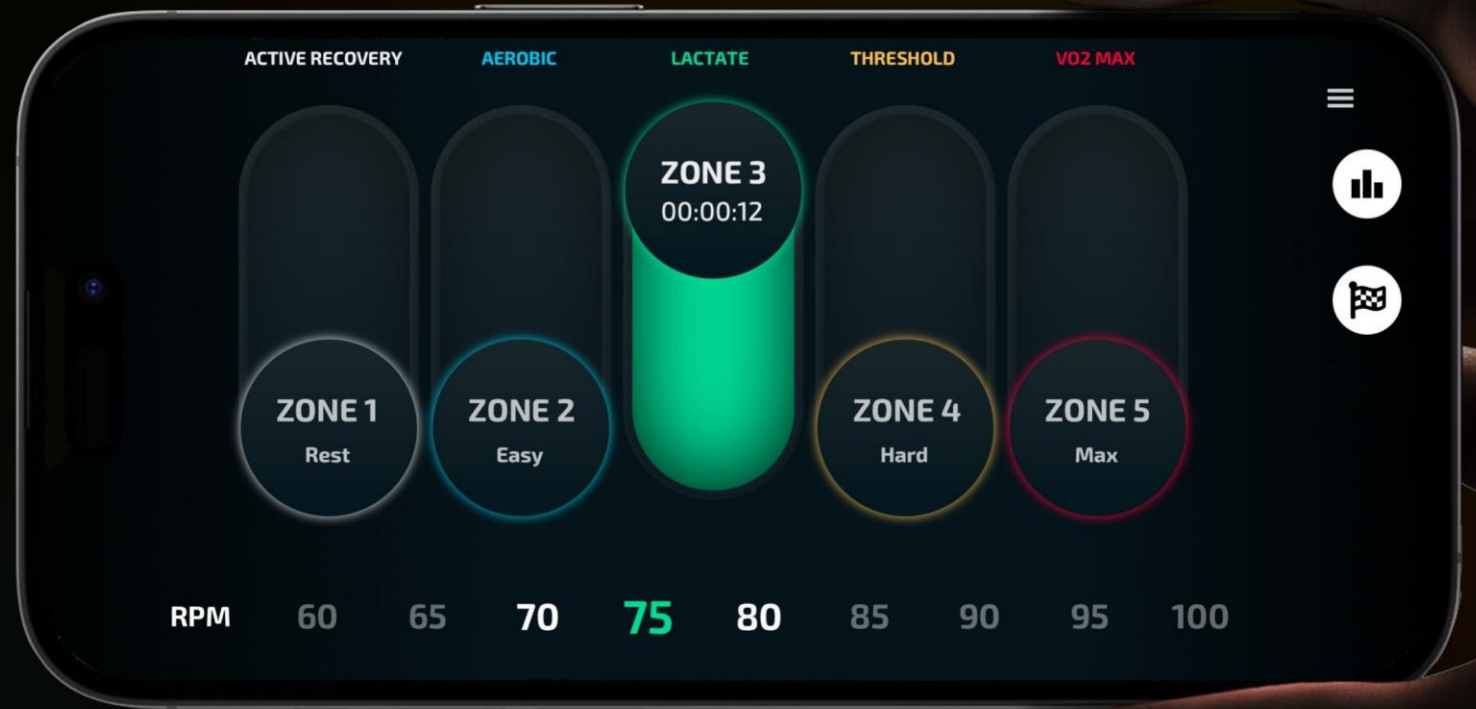

Coach-friendly 'Hop-On-and-Teach'

'Built-in' instructor teaching tools

FREE STYLE

**For instructors
to be in Total
control**

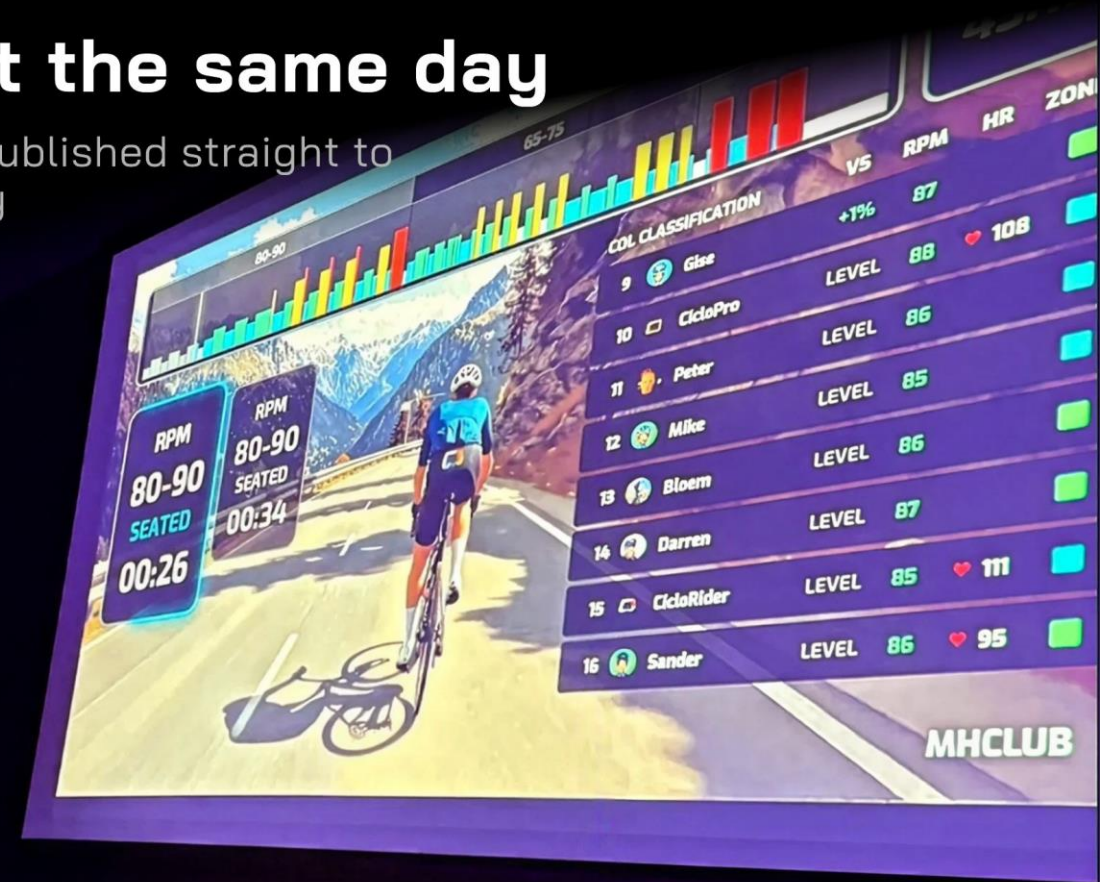

Instant individual or team challenges

The image shows a man sitting between two large monitors displaying a racing game. The left monitor shows a first-person view of a car on a snowy mountain road. The right monitor shows a similar view from a different angle. The man is looking at the camera. In the background, a large screen displays a leaderboard for the game 'Gran Turismo Sport'.

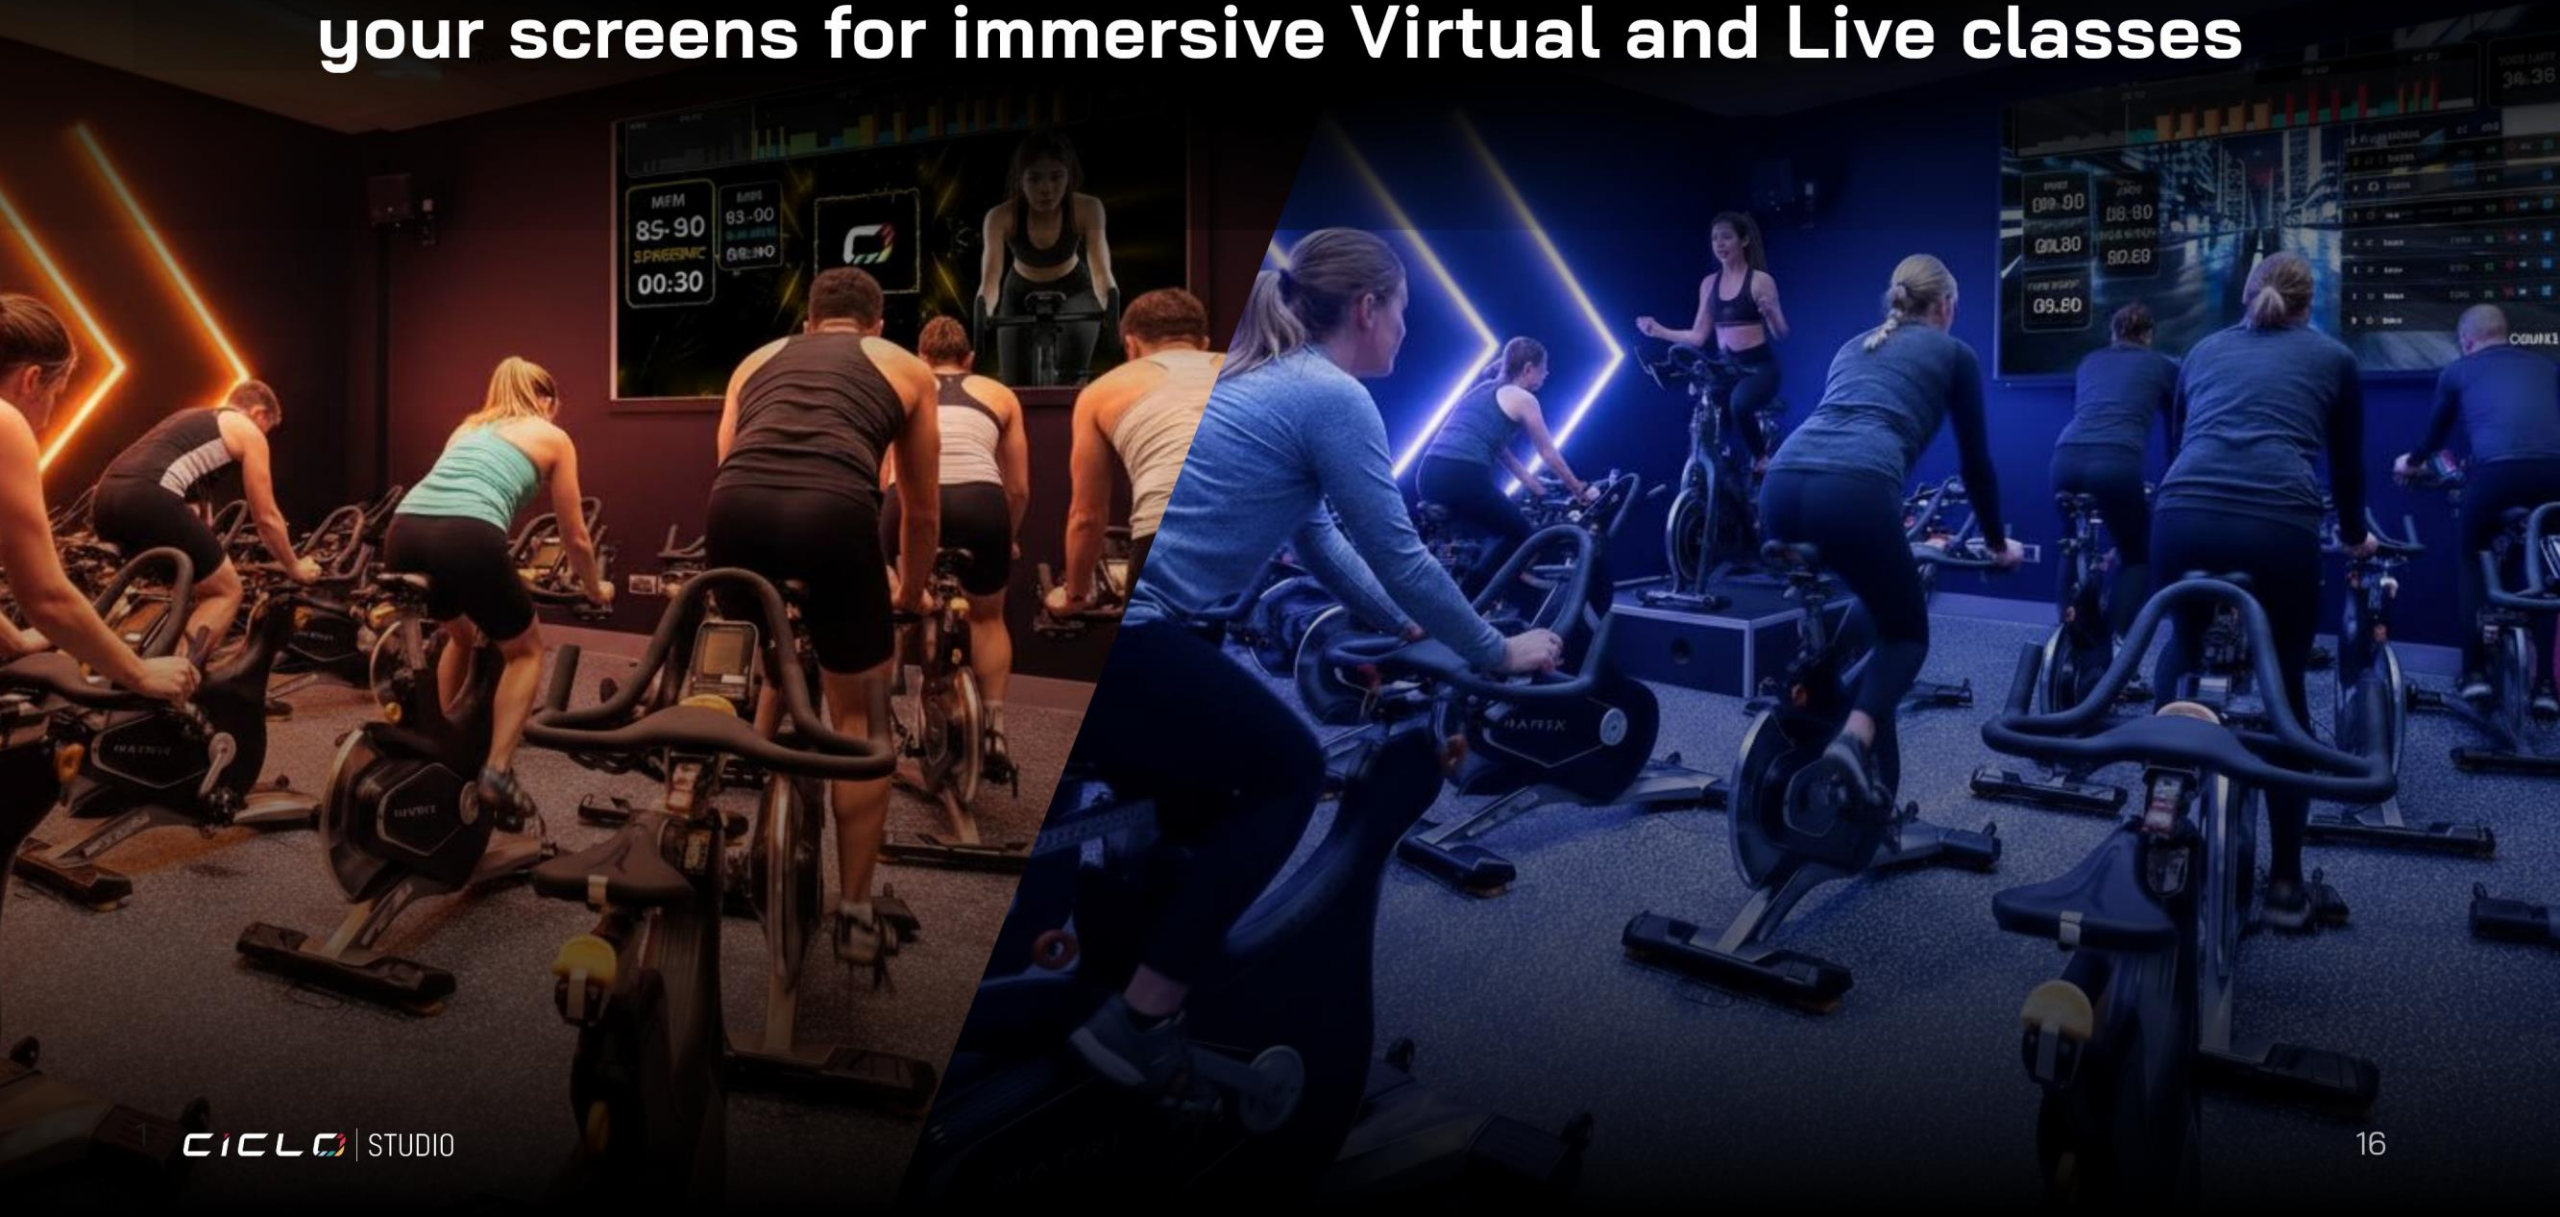

順位	名前	タイム	ラップ	順位	名前	タイム	ラップ
1	Gran Turismo Sport	1:05	1	1	Gran Turismo Sport	1:05	1
2	Gran Turismo Sport	1:06	1	2	Gran Turismo Sport	1:06	1
3	Gran Turismo Sport	1:07	1	3	Gran Turismo Sport	1:07	1
4	Gran Turismo Sport	1:08	1	4	Gran Turismo Sport	1:08	1
5	Gran Turismo Sport	1:09	1	5	Gran Turismo Sport	1:09	1
6	Gran Turismo Sport	1:10	1	6	Gran Turismo Sport	1:10	1
7	Gran Turismo Sport	1:11	1	7	Gran Turismo Sport	1:11	1
8	Gran Turismo Sport	1:12	1	8	Gran Turismo Sport	1:12	1
9	Gran Turismo Sport	1:13	1	9	Gran Turismo Sport	1:13	1
10	Gran Turismo Sport	1:14	1	10	Gran Turismo Sport	1:14	1

Your own classes, taught the same day

Custom intervals, zones and music, published straight to your studio library

Enhance your studio experience with CicloStudio powering your screens for immersive Virtual and Live classes

LIGHT CONTROL

Immersive Atmosphere with native Light Control

Plug-and-play RGBW LED control

Colour and intensity synced to every
power zone

Cost-effective single-universe installs

Multi-universe builds with lighting
specialists
